Moderators

Administrative Privileges - Please be cautious with what you do.

The tasks for the moderators will be

- Moderate chats
- Assign roles to teams and other members (Except Project and Self Assignment roles)
  - Have to assign roles using the custom command in the `#discord-mods` channel.
    * Command Format
      !role
    * Check out the pinned message for all the available roles to be assigned.

Any discussions can be held here in the `#discord-mods` channel

Moderators will be able to,

- Anyone can mention
- Can manage roles lower than them and channels
- Kick, Ban members
- Can mention any roles (@here, @everyone, All Roles)
- Can mute and move members
